AMC Stubs Premiere Member Screening of EVERYTHING, EVERYTHING

SYNOPSIS: What if you couldn't touch anything in the outside world? Never breathe in the fresh air, feel the sun warm your face...or kiss the boy next door? Everything, Everything tells the unlikely love story of Maddy, a smart, curious and imaginative 18-year-old who due to an illness cannot leave the protection of the hermetically sealed environment within her house, and Olly, the boy next door who won't let that stop them. Maddy is desperate to experience the much more stimulating outside world, and the promise of her first romance. Gazing through windows and talking only through texts, she and Olly form a deep bond that leads them to risk everything to be together... even if it means losing everything.

CAST: Amandla Stenberg, Nick Robinson
